📍 63/4/A Buet Staff Quarter, BUET Campus, Dhaka

This is Nishat. Web application development is something I'm quite enthusiastic about. I'm always trying to acquire new skills and improve. I stay up with industry news, experiment with new technologies, and read books and blogs to keep my abilities up to date. I earned a Bachelor of Science in Computer Science and Engineering. I have experience with HTML, CSS, JS, Bootstrap, and the Tailwind framework, among other things.

## Skills

- C
- HTML
- CSS
- JavaScript
